TECHNICAL CARD AND ASSEMBLY

Plastic holder with security key:

- Moisture resistant.
- Cannot be tampered with.
- Attachment methods:
 - Screwed to the wall.
 - Fixed with adhesives.
- Single holder: two anchorage points.
- Double holder: four anchorage points.
- Triple holder: four anchorage points.

Method of use:

- 1 - Anchor or fix the holder to the wall.
- 2 - Introduce the security key into the slot located on the bottom of the holder and tighten firmly while pulling the semicircular piece to unlock it.
- 3 - Remove the semicircular piece that holds the bottle neck in place.
- 4 - Place the bottles on the base of the holder in the desired order.
- 5 - Fit the semicircular piece into the necks of the bottles and press it in until you hear a “click” which will indicate that the holder is locked.
